Decisive Victory

Eden Given Confidence Vote

By THE ASSOCIATED PRESS
LONDON — Britain has given Prime Minister Eden a smashing vote of confidence in an election that shook the opposition Labor party to its foundations, strengthening leftish hopes to take over leadership from Clement Attlee.

ANTHONY EDEN

Nearly complete returns from yesterday's election promised Eden's Conservatives a majority of 50 to 60 in the 630-seat House of Commons. That guaranteed Eden's government a five-year term of office with a working margin triple the 17-vote majority the Conservatives had when the last Parliament adjourned.

Returned from 611 of the 630 districts gave:
Conservative and allied parties—335 (net gain 14).
Labor—271 (net loss 13).
Liberals—4.
Others, net loss 1.

Known Death Toll Stands At 115

UDALL, Kan. (AP)—Disaster relief workers moved swiftly today to bring aid and comfort to survivors of a series of tornadoes that killed at least 115 persons in a four-state area.

UDALL FOCAL POINT

This little south central Kansas community was the focal point of the relief work. Here 74 persons died and more than 200 were injured. The remainder of the 500 residents evacuated the ruined town yesterday because not a single building suitable for occupancy remained.

Blackwell, Okla. was the second-worst hit community. There a 36-block residential and factory area was leveled with 18 deaths and 500 injured.

Other States Suffer
The tornadoes brought death to 20 in Oklahoma, 15 in Texas and 12 in Missouri, and they were still lapping around late last night, striking in eastern Kansas, Missouri, Arkansas and Iowa.

Doctors Appreciate Polio Problems — They've Had It

By ELIZABETH BLAIR
Charlotte News Staff Writer
Two Charlotte doctors have an unusual personal interest in the news of the Salk anti-polio vaccine. They've both had polio.

Dr. Lovell contracted polio in 1909. His practice of pediatrics was interrupted for six months, while he was hospitalized and taking treatment at Warm Springs, Ga., and he came back to a second floor office in a wheelchair.

HEDY WAS TOO UPSET TO TAKE LIE TEST

HOUSTON, Tex. (AP)—Actress Hedy Lamarr spent two hours at police headquarters but detectives said she was too upset to take a lie detector test.

At that time, he was thinking of specializing in surgery or obstetrics. He lost the use of his left arm and partial use of his legs, and decided on pediatrics.

Evening Prayer

Most gracious Father, draw us more closely to Thee that the vision and spirit of Jesus may shine more deeply in our lives. In our homes, at our work, and in the world, help us daily to express good will. We pray in the name of Christ, Thy Son, Amen.
