Deadly Weapon: The Tongue

The oldest and most dangerous weapon is the tongue. In the Bible it appears first in the story in the Garden of Eden and has had continuous and destructive use ever since... It has been said that the good Lord created us with two ears, two eyes and one mouth...

greater than that of cold steel. Extreme physical pain is anesthetized by unconsciousness, but the mental anguish of cruel words is not... We instinctively defend ourselves physically... A surface incision will heal, but the sore from a word written word is usually not called. Truly, this is a horrible weapon to use against fellowmen!
