PUBLICITY FOR AMENDMENT 4--Mrs. Walter Hansen, president of Central Elementary PTA and Mrs. J.T. Andrews are shown placing stickers on their cursuring Irvingites to vote for Amendment 4 on election day. Central and other Irving PTA's have been working to publicize the importance of this Amendment.

Fire Station Site Zoning Is Changed

Two zoning permit changes - one for the site of a proposed new fire station - were approved Thursday night by the Irving City Council.

The new station would be built on a 150x200 tract on the west side of Voinin at Grauwyler just west of Loop 12. The tract was changed from A (single family) to B (multiple family) subject to construction of a fire station there within a year.

The other change was from A to G (local retail) for a non-conforming (in existence before the original zoning ordinance was passed) tourist

court on Highway 183 between Carpenter Road and O'Connor.

Both changes were recommended by the Zoning Commission.

Several Irvingites were in Waco last weekend to attend Baylor Homecoming and see the Baylor-A&M football game. Among them were Rev. and Mrs. Henry Kinkeade, Mr. and Mrs. Gene Koepf, and Mrs. Melvin Streakley.

Just as you are Pleased at finding faults, you are displeased at finding perfections.

Supplies Bought By School

A \$5000 blank check for purchase of supplies was given to Supt. W. T. Hanes and business Manager Forrest Harper Tuesday night after a report indicated that teaching (expendable) supplies were in a record low in the district.

In other purchasing action the board bought \$1427 worth of maps (56) and globes (20) for the two new elementary schools.

Supt. Hanes said he preferred maps bought nearer home and available quicker and at cheaper price than the ones coming from Chicago, but the teachers and principals had strongly recommended these, and he was going along with the request. These are the same maps which are being used in other schools in the district.

Hall Open

The Legion Hall on Shady Grove Rd. is open to all veterans and their wives. The hours are 6 to 10 PM during the week and 6 to 12 PM on Saturdays.

High was cut down from \$1300 to \$800 on the explanation that the budget wouldn't allow the full expenditure. R.C. Reece said that the purchase is two months behind already.

A change order for the band ramp at Crockett, making it a crescent shape rather than straight stairs, was approved. Added cost is \$345. The changes makes every student and instrument face the director. Otherwise he can't hear students tooting, beating or in other way making music on the ends of the ramp.
