WASHINGTON (P)—President Anastasio Somoza of Nicaragua was shot three times at a reception last night and his assassin was beaten to death, the Nicaraguan Embassy reported here today.

Wounded in the arm, leg and stomach, Somoza's condition was described as "delicate."

Ambassador Guillermo Sevilla Sacasa said he received details of the shooting by telephone from Managua, capital of Nicaragua.

Earlier, the White House said President Eisenhower had received word from U. S. Ambassador Thomas Whelan that Somoza had been shot four times. Eisenhower ordered a U. S. medical team sent to Managua from the Panama Canal Zone.

3-Way Probe Set In Bridges Case

SAUSALITO, Calif. (P)—A three-pronged investigation is underway into a bloody attack on labor leader Harry Bridges at a beach waterfront restaurant.

Two Southern California seamen were arrested a few hours after the attack early yesterday and arraigned on charges they conspired with persons unknown to beat up the stormy labor union chief.

The two were identified as Fred Reppine, 35, and Donald R. Hansen, both of Wilmington, Calif., and both members of the Sailors' Union of the Pacific — a bitter rival of the International Longshoremen's and Warehousemen's Union of which Bridges is president.

Two Men Killed In Dynamite Blast

MILAMI, Fla. (P)—Three sticks of dynamite being handled by one man to another exploded yesterday, killing both men instantly.

The dead men were working on a large project. The explosion scattered chunks of rock 75 feet in all directions. Victims of the premature explosion were Paul Barnes, 48, and Frank Murphy, 63.

The dynamite was used to break up soft coral rock to make the fill.

Mother Held In Son's Death

FORT MYERS, Fla. (P)—A mother who despaired that she and her son were loved by no one has been charged with killing the 10-year-old boy.

Mrs. Julia Musick, 29, was held on a first degree murder charge for the death of Stanley Frederick Musick, who was shot four times with a .22-caliber rifle.

Police Lt. Aubrey Rogers said the mother had written letters to relatives in which she described herself as neurotic and threatened to take her own life.

The boy, a Cub Scout, died yesterday about two hours after he was shot.

Police Chief Earl Underhill said Mrs. Musick, a telephone company operator, obtained a rifle from a friend, explaining she wanted it for protection against prowlers.

Later, Underhill said, she telephoned the friend that she had killed her son.

The chief said Mrs. Musick told police the boy had fired one bullet into his body and that she then shot him three times so he wouldn't suffer from the first wound.

The officers said the letters complained no one had love for her or her son.

Mrs. Musick and her husband separated a year ago.

France Joins Suez Canal Users' Plan

LONDON (AP) — The French Cabinet decided today to participate in the blunted Suez Canal Users' Assn., but with the reservation that it must not weaken insistence on the principle of international administration of the waterway.

British Foreign Secretary Selwyn Lloyd issued formal invitations fixing Oct. 1 as the date for a third London Suez conference to settle the mechanical details of setting up a new international agency which will seek a solution to Egypt's nationalization of the canal nearly two months ago.

Dulles Plans Strategy For Suez Crisis

WASHINGTON (P)—Secretary of State Dulles returns to Washington today to begin work on the next stage of his strategy for seeking a "peaceful and just" solution of the Suez Canal crisis.

Dulles is expected to return promptly to President Eisenhower on the initial agreement in London yesterday to organize major shipping countries into the Suez Canal Users Assn.

The project won wide support among foreign ministers who attended an 18-nation conference in France in which Dulles was prominent for the time being apparently because it feels the organization should have more power over shipping.

Dulles left London late yesterday. His plane was due here at 8:30 p.m. Tomorrow night he will appear on a television program, Meet the Press, and presumably discuss the results of the latest London conference in detail.

Adlai Follows Ike To Iowa In Pitch For Farmer Votes

By THE ASSOCIATED PRESS. Adlai Stevenson makes a major Democratic bid for the farm vote today at Newton, Iowa—one day after an appearance there by President Eisenhower.

Stevenson's flight to Iowa to address the National Field Days and plowing matches turned the affair into a shuttle operation of presidential candidates since Eisenhower returned to Washington only last night.

Stevenson reportedly has drafted a detailed outline of his farm program for delivery this afternoon to the farm-belt audience. He also was said to be ready to hit hard at Eisenhower administration agricultural policies.

TIME ASKED
Eisenhower, in informal remarks to some 75,000 persons there yesterday, asked them to withhold judgment on his own farm program until his Tuesday night speech at Peoria, Ill. This is billed as the major farm speech of the Eisenhower program.

"Many of you will not agree with me," Eisenhower said. "Some of you, frankly, will probably think I am a little bit crazy. But I am sure that none of you will think I am not honest."

On the return trip to Des Moines for the flight to Washington the President and Mrs. Eisenhower were greeted by a crowd estimated at 100,000 persons. In a brief statement at the airport he praised Iowa GOP nominees and urged Republicans to get every possible vote to the polls on election day.

In Washington yesterday, Stevenson talked labor matters with George Meany, head of the giant 15-million-member AFL & CIO. Meany told newsmen later that Stevenson "looks very confident." The union has endorsed the Stevenson-Estes Kefauver presidential ticket.

8-DAY CAMPAIGN
Stevenson's flight to Iowa today starts an eight-day campaign trip through 11 farm and southern states. He scheduled another major address in Denver tonight, subject not disclosed.

Vice President Nixon, well into a 25-state barnstorming tour of his own, told a Sioux City, Iowa, audience today in prepared remarks that what he called "ex-

NAACP To Fight Texas Court Order

ST. LOUIS (P)—An official of the National Assn. for the Advancement of Colored People said today the NAACP expects "to contest" in court an order aimed at putting the organization out of business in Texas.

Roy Wilkins of New York, executive secretary of the NAACP, here for a one-day meeting of state presidents of the association, said:

"We will not know what specific action to take until we see the text of the contest order in the court. To judge this order in the court is to judge this order in the court."

Dist. Judge Otis T. Dunagan of Smith County, Tex., yesterday ordered the NAACP to stop all operations in Texas, in file no more school integration suits and to collect no more money until a hearing Sept. 29 in Tyler, Tex. It had been requested by Atty. Gen. John Ben Shepperd.

"The Negro parents and their children, who were threatened by mobs during the past three weeks in Texas, Kentucky and Tennessee proved that such action will not frighten them in seeking to enjoy that which the law says they are entitled to."

"In the same way injunctions will not deter us. The issue is not one between Texas and the NAACP" but is between Texas and the U. S. Constitution as interpreted by the Supreme Court.

Wilkins said the purpose of today's meeting here was to "take another look at developments in the South and agree on a method of operation."

RASH OF FIGHTS REPORTED 10 Hurt At Grid Game

SAN FRANCISCO (P)—Ten youths were cut, stabbed or beaten yesterday when roving groups of teen-agers attacked spectators at a colorful high school football game.

A rash of fights, some of them between whites and Negroes, flared as the marauders milled around the stands holding some 20,000 youthful spectators.

200 POLICE CALLED
More than 200 police swarmed into Kezar stadium, breaking up the fighting and arresting three Negro teenagers. Two were jailed on assault charges.

Police inspector Leo Ooms said that at least seven of the injured boys were white. Five of them said they had been stabbed with a pocket knife wielded by a 14-year-old Negro.

"But I wouldn't call it a race riot," Ooms said. "There may have been some bad feeling between the races there but it doesn't look as if that was the cause."

Officers said the situation didn't reach riot proportions. Capt. John Engler, head of the police juvenile bureau and a witness, said:

"There was no riot. There were no organized gangs, just separate fights which kept breaking out. Some of the fellows had knives, and used them."

SERIOUSLY INJURED
Most seriously injured was Wayne Reynolds, 17, a junior college student. He was stabbed in the arm and lower left chest but was not considered in critical condition. Students from all nine city high schools were at the stadium.

The students included Japanese, Filipinos and Chinese as well as Negroes and whites.

Police had assigned two sergeants, 15 patrolmen and a half dozen motorcycle officers to handle the affair, which has resulted in disturbances of some sort every year since it was instituted in 1933.

One police sergeant, attempting to break up a fight between several boys after the game, was "roughed up" and his badge taken.

J. B. Hill, principal of Lincoln High School, reported that his clothes were slashed while he was trying to protect one of the injured youths.

DISAGREEMENT
Although police chief Frank Ahern said he would recommend discontinuance of the annual pageant, Adolpho de Urrioste, president of the board of education, said:

"I cannot say the pageant should be discontinued because the disturbance was not in the rooting excitement."

"There were 20,000 youngsters there who should not suffer for the acts of a few troublemakers."

One youth who asked that his name be withheld said he and his friend were attacked while leaving the stadium.

"We were leaving from the north side," he said. "All of a sudden about 12 guys jumped us. We hadn't done anything."

Man Killed, 2 Injured In Holdup At Tavern

CHICAGO (P)—A young salesman was killed and two other men were shot today when they attempted to capture two holdup men in a tavern.

A few hours later, police arrested the two men.

Police said David Jakubowski, Kenneth Schultz, both 21, involved in the scuffle with the robbers.

Weber was shot at least a dozen times, police said.

Mrs. Bernice Carlson, 48, owner of the tavern, told police when the two robbers announced a holdup after ordering drinks of coffee and milk. However, she said, one of them drew a pistol and fired a warning shot into the ceiling.

Then, she said, Weber, Danny and the third man attempted to halt the robbery.
