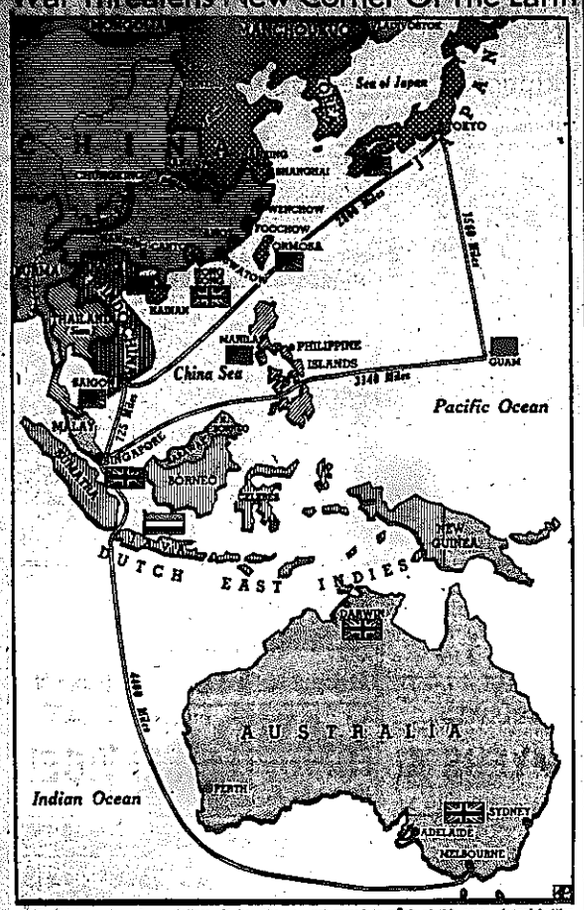
War Threatens New Corner Of The Earth



Here is a region of superlatives. It has the deepest ocean (off the Philippines), the most celestial ruins (Angkor-Vat, Indo-China), some of the greatest wealth (of Burmese, Siamese origin), some of the greatest natural resources (Dutch and British East Indies, Australia), some of the most picturesque scenery (Japan), the strongest citadel (the islands in China, 1500 miles thick in the East Indies), the most populated nation (China) on earth. The very vastness of the Far East sets it apart.

War—in the sense of actual fighting—has not yet spread to much of this area. Actual battles have taken place only in the Sino-Japanese war (this one started in 1937) and in border skirmishes between Russia and Japan, and between Indo-China and Thailand. But Japan's occupation of Indo-China, and her calling up a million fresh soldiers (was taken as such a threat by Australia, the United States, and the Dutch East Indies that they immediately retaliated by freezing Japanese credits. Every nation, in, or with interests in, the Orient, has been strengthening its defenses.

Heat Fails To Affect Air Base Dance Plans

Formal Affair To Be Held Saturday Night at Armory From 9 to Midnight

Record-breaking heat waves notwithstanding, many enlisted men from the Army Air Base near here and a crowd of Charlotte's young women will attend a formal dance Saturday, 9 P. M. to 12 M., at the municipal auditorium here under auspices of the Charlotte Defense Activities Council.

Arrangements for this event, one of a series planned by the council's dance committee, are in charge of Mrs. Mary Brachman Sills, WPA representative in charge of recreation and entertainment programs of the council and the Park and Recreation Commission.

Music will be provided by the Air Base Orchestra.

RULES MADE

Mrs. Sills announced that a sub-committee, composed of six young women and six non-commissioned officers, have arranged a comprehensive set of rules and regulations governing the conduct of the dances of this series.

Charlotte young women who hold volunteer hostess cards will be welcomed to the dance. Mrs. Sills said young women who desire to obtain these cards may apply tonight or tomorrow, between the hours of 8 and 10 P. M., at the Young Women's Christian Association. This card is necessary to obtain admission to the auditorium.

The girls will wear evening dresses and the soldiers will be in uniform.

Several entertainment numbers will be presented during the intermission.
