counters will remain closed.

The Negroes, most of them from

North Carolina A & T College and Bennett College, paraded after the closing of the stores Saturday, calling it a victory. Many white men carrying Confederate flags,

were restrained from following by police. The civilian auxiliary police force later was called out.

Police called it an "extremely dangerous, powder keg" racial situation.

After a plea by Mayor George Roach for the Negroes and the business concerns involved "to place public interest above personal considerations," the A&T students voted to accept a two-week armistice.

The demonstration started last Monday when the Negroes took seats at the Woolworth lunch counter and kept them, despite the fact the waitress would not wait on them.

The demonstration spread to the Kress store and then groups of whites began arriving at the stores early to get the counter seats and thwart the Negroes.

identified submarine with depth charges a year ago. That submarine escaped.

The government never identified the submarine, but naval sources speculated then it was a Soviet craft.

## Now Science Stops Useless\* Coughing with a Tiny Tablet and a sip of water!

Controls nerves that control coughing due to colds and excessive smoking. Helps break up bronchial congestion — raises phlegm.

NEW YORK, N. Y. (Special) A major breakthrough in cough control is now announced with the introduction to the public of a new anti-cough tablet. It's a tiny tablet... to be taken with a sip of water. Working through the bloodstream, this remarkable tablet stops useless coughing up to 6 full hours. Called DONDRIL Anti-Cough Tablets, this entirely new concept in cough control is now available without prescription.

The astonishing relief offered by DONDRIL is made possible by a combination of three great medicines... a unique antitussive, a medically-proven decongestant and an exclusive antihistamine. DONDRIL has twice the effectiveness of codeine, yet is non-narcotic. Get DONDRIL Anti-Cough Tablets. Money back if not satisfied. DONDRIL is a registered trademark.

\* What is useless coughing? There are two kinds of coughs: 1. Productive — the occasional useful cough that clears the throat and bronchial tubes. DONDRIL does not interfere with this useful cough. 2. Non-Productive — the hacking cough that rocks the body, useless, and serves no purpose. DONDRIL stops useless coughing.

## LOOK AT THE LOWER PRICES LOOK AT THE PLUSES

List prices as much as \$76.05 lower on popular models with popular equipment

The '60 Chevrolet models most people buy, equipped the way most people want them, are actually priced lower than last year's models. This two-tone Bel Air V8 sedan, for example—with Turboglide, push-button radio and deluxe heater—lists for a whole \$76.05 less! Prices are lower for all comparable V8 models throughout the line. Also for all comparable 6-cylinder models with Powerglide. Yet Chevy's loaded with more of the things that put pleasure into owning a car. (Just look at the list!) It's the greatest year yet to get into a Chevy!

Softer, more silent ride with coil springs at all four wheels and new butyl rubber-cushioned body mounts.

Big brakes for quicker, surer stops.

Rivetless bonded linings mean they last longer, too.

More room to relax in. Chevy sedans offer roomier seating than any car in their class. Lower, narrower transmission tunnel means more foot room.

Only full wraparound windshield among the leading low-priced cars.

Electric windshield wipers keep sweeping even when you speed up to pass.

Vent windows crank open and closed. So much simpler than fighting those tricky little catches.

Keyless locking of all doors. Quick and easy. The same key opens door, glovebox, trunk and starts the car.

Economy Turbo-Fire V8. Or how to get up to 10% more miles per gallon of regular and still have lots of "git."

Thriftest 6 in any full-size car. It's the '60 version of the engine that got 22.38 miles per gallon in the 1959 Mobilgas Economy Run.

Widest choice of power teams. 24 engine-transmission teams in all, with output up to 335 h.p.

A trunk that's made for long trips with up to 22.5% more actual luggage space. Sill's lower for easier loading.

Fisher Body craftsmanship. Look at the finish, the fabrics, the detail work. You'll see the difference.

Drive it—it's fun-tastic! See your local authorized Chevrolet dealer for fast delivery, favorable deals.
