

CRITICS ASK FOR MENON'S RESIGNATION

By HENRY S. BRADSHAW  
NEW DELHI, India (AP)—Defense Minister V. K. Krishna Menon came under mounting fire today because of India's ineffective resistance to Red China's invasion armies.  
Leading newspaper joined senior members of the Congress Party in the attacks on Menon's closest associate. Some Congress members demanded Menon's resignation.  
"It looks as if someone is spreading a ceremonial red carpet for the advancing Red Chinese along the entire northeast frontier," said one party leader who with 29 others criticized Menon severely in a meeting with Nehru Tuesday.  
The government meanwhile admitted steady Chinese advances all along the northeast boundary, as much as 37 miles in some areas and indicated the Communists had captured most of their objectives in the disputed area in the northwest, the Ladakh sector of Kashmir.  
Congress party critics charged Menon "kept us all in the dark by painting a rosy picture of our eastern defenses."  
"In no place has the Indian army held ground since the massive Chinese assault began on Saturday, and every day it is the same tale of so many pockets falling to the advancing enemy," one of them said.  
**MENON CASUAL**  
The Times of India said Menon was "astonishingly casual" in admitting the defense arrangements in the northeast were "found to be inadequate by later events" after his assurances that they were adequate. The newspaper called this "a confession of failure."  
Critics noted that Menon sought to build his reputation as defense minister on creating an arms industry in India so as to reduce the nation's dependence on weapons purchased abroad. Lack of modern, rapid-firing weapons is given now as one of the major causes of Indian troops having to fall back before the Chinese assaults.  
Peeping radio kept up enthusiastic claims of repeated victories, but said Chinese forces were only hitting back after Indian troops had attacked Communist frontier guards.

CD OFFICIALS SPEED PLANS TO MEET CRISIS

By THE ASSOCIATED PRESS  
Civil defense agencies—on national, state, and local levels—stepped up emergency activities today to meet any eventualities posed by the Cuban crisis.  
At Washington it was announced that the capital's emergency relocation center at nearby Lorton, Va., is manned on a 24-hour basis.  
The Defense Department said 60 million shelter spaces throughout the nation are scheduled to be stocked with necessary supplies. At present, officials said, facilities for only several hundred thousand persons are immediately available.  
**GOVERNORS TO MEET**  
At the Pentagon Friday, the Civil Defense Committee of the Governors' Conference convenes in emergency session. The committee is headed by New York Gov. Nelson A. Rockefeller.  
Already there has been a sharp rise in consumer purchases of canned goods and other non-perishable packaged foods.  
Builders of home shelters, who business had been slow, report a sudden surge in inquiries and requests for fast construction.  
In Little Rock, Ark., Gov. Orval Faubus met with top civil defense and military leaders. These state's radiation testing instruments were being checked, and CD leaders said they may go on television and radio soon to advise citizens on safety measures. The regional civil defense office was swamped with calls.  
In Ohio, the Miami Valley Civil Defense Authority, in the Dayton area, called an emergency meeting tonight with all area news media Director Dickson T. Burrows said 98 per cent of the people have no idea what the alert and take cover signals are in the two-county area.  
The Los Angeles city civil defense director suggested households keep a two-week supply of food on hand and keep auto tanks full of gas.  
In Tampa, Fla., residents snapped up guns, ammunition, canned goods, and battery-operated transistor radios. The city was swamped with requests for defense booklets.

Donald and Andrea Jacoby were U.S. dance champions while Jean Wrasley and Lee Carter won Canadian and California championships respectively. The synchronistic pair of Carroll and Clark, Loretta Champion, the Beatty's Barbara Myers and Dussan and Doris are other featured performers.

NOBEL PRIZE TO STEINBECK

STOCKHOLM, Sweden (AP)—John Steinbeck won the 1962 Nobel Prize for literature today.  
The 60-year-old California-born author, who rose to fame with his novel "The Grapes of Wrath," is the sixth American to win the literary award—this year worth \$48,656.  
For 30 years, Steinbeck has been turning out best sellers—many became prize-winning stage plays and films—and gained a reputation as a chronicler of social justice in the United States.  
His writings in recent years showed a versatility that emerged in his latest book, "Travels with Charley," an off-whimsical story of U.S. travels with his dog Charley.  
**WROTE 27 BOOKS**  
Steinbeck, author of 27 books, was cited by the prize committee "for his at one and the same time realistic and imaginative writings, distinguished as they are by a sympathetic humor and a social perception."  
Steinbeck heard about the award at his home in Sag Harbor, N.Y. His wife told reporters it was "a great thrill" for him.  
Other American winners of the Nobel Prize for literature were Sinclair Lewis, Eugene O'Neill, Pearl Buck, William Faulkner and Ernest Hemingway.  
Thomas Stearns Eliot, American-born, also won the award, but after becoming a British subject.

POPE APPEALS TO RULERS TO SAVE THE PEACE

VATICAN CITY (AP)—Pope John XXIII, showing deep concern over the Cuban crisis, appealed urgently to the world's rulers today to do everything in their power to save peace.  
The 80-year-old pontiff made the plea in a surprise broadcast beamed around the world by the Vatican radio. He apparently decided on the plea only a few hours before the broadcast started.  
The Pope spoke for 2 1/2 minutes, supplicating the world leaders to do all they can for peace.  
"By so doing they will spare the world the horrors of a war that could have disastrous consequences such as nobody can foresee," he said.  
"Let them continue to negotiate because this loyal and open attitude is of great value as a witness in the face of history."  
**RULE OF WISDOM**  
"To promote, favor and accept negotiations, at all levels and at all times, is a rule of wisdom and prudence which calls down the blessings of heaven and earth."  
Many of the thousands of Roman Catholic prelates here for the Vatican Ecumenical Council were unaware of the Pope's decision to speak. The council was in recess today.  
Pope John said the council had just opened amid joy and hope of all men of good will, but "threatening clouds now come to darken again the international horizon and to sow fear in millions of families."  
The Pope concluded his brief radio appeal by asking all Christians to "join their prayers to ours in order to obtain from heaven the gift of peace—a peace which will be true and lasting only if it is based on justice and equality."

JUSTICE MUST RETURN FINE

WILKES-BARRE, Pa. (AP)—Justice of the Peace Fred DeLazio, Hazle Township, must return a fine of \$60 and \$5 costs to G. Jerry Matteo, a truck driver, Hazleton, Judge Richard L. Bigelow ruled Wednesday in dismissing a truck overweight charge against him.  
In addition the court ordered the commonwealth to pay any additional costs incurred as a result of the proceedings.  
Matteo petitioned the Luzerne County Court for a writ of certiorari Sept. 21, three days after his arrest and conviction by DeLazio. State trooper Louis P. Kubik of Hazleton barracks arrested Matteo Sept. 18 on Route 309 in Hazle Township charging him with operating a truck having a gross weight of 23,060 pounds while the maximum gross weight for the vehicle was 21,000 pounds.  
Matteo in his appeal to the court alleged the proceedings before the magistrate were so irregular and illegal that his case was prejudiced.
