her was the success.

"Follow it up," she pushed me with bright eagerness. "Write some more." Pireled did all she could to overcome my foolish resistance.
"Go on writing," she urged." In this way we will win freedom."

"Freedom, from what?"
"From people who hold you in their hands like a pawn."
"Listen," I objected, "I belong to the Comintern."
"You belong to yourself—and to

ine." I sainot do it. I believe that crysity to a chose cause is the crysity to the control of t

Triefel was afraid of the future. She knew enough now of the Commercer or later, it would durupt, and emash any harmonious relationship between any man and woman in the ranks.

"Shall I tell you?"

It want a baby."
I could not find the answer to give her. We both believed that it was a crime to have a child when the possibility of brinzing it up in accurity and happy surroundingst was lacking, and when the parents lived in constant fear of sudden light or a prolonged plunge into parties.

"I am bound to serve the cause as long as i lite." I said, well aware of the wavering inside. "Write, all the same. You may change your mind some day." Pireiet said nuletly.
