After four days of strenuous horse-trading, the Swedes gave in to the Communists' position... The road was now open for official negotiations between Berlin and the Stockholm leadership... A long report, signed by Holmberg and myself, went off to Berlin... The Communist Party of Norway... The Communist Party of Sweden... The Communist Party of Finland... The Communist Party of Iceland... The Communist Party of the Faroe Islands... The Communist Party of the Azores... The Communist Party of the Madeira Islands... The Communist Party of the Azores... On Jan. 30, 1933, I was in Trondheim... A telegram arrived. "Come back, Urgent Friedt." I felt strangely disturbed... I listened to Oslo in overnight journey by rail across snow-covered mountain land... I jumped into the express to Hamar-Treilberg, and arrived in German Stralsund early the following morning... "Something sad has happened," Friedt said. "You!" "Your mother has died." The impact was strong... "Your mother has died." The impact was strong... "Your mother has died." The impact was strong...

Centennial Celebration

Underway at Henderson Henderson, N.C. — Exhibits were viewed by hundreds at the Perry Memorial Library held open today as Henderson went on with its centennial celebration, which continues through Thursday. Greetings will be read tomorrow by the President of the town and speeches will be made by Lieut. Gov. R. L. Harris and former Governor Clyde R. Hoey.

Women Are Putty in His Hands

The impact was strong. A short assault of indignation, laced with a vague consciousness of guilt because of things I had left undone, shook me. It was too late, however, and then, quietly, she added: "Hilder has just become Chancellor."

Hold Everything

"I had brought with me excerpts from reports the Communists had received from their inner-party spies in Norway. I was able to cite seven instances on which the Norwegian Communist leader, in his hours of Norway, had exonerated his wife and children from the charges of other Central Committee members. Getting wind of this, the Party chief had had certain conclusions, one of which was that next to drinking tournament, 'free love' had become the
