

# Commuter AN ALTI

I wandered toward the Amstelstraat and looked at the section of the well-lit... The flags had disappeared. The... I saw a ragged, wild-eyed assembly of... we raved up and down... the best, cheap residential streets... in union.

"Hunger! Hunger!"... rattled down, doors were locked... we approached. A single hotel out... block into darkness. Once in a... while a police truck sped around... corner, siren rattling, and cursing... and looked to the pavement amid... the screaming of brakes. Instead of... we approached. A single hotel out... block into darkness. Once in a... while a police truck sped around... corner, siren rattling, and cursing... and looked to the pavement amid... the screaming of brakes. Instead of...

"Remember, a campaign is not a matter of leaflets and meetings, but of action and sacrifice. Instead of... Action means strikes. Mass strikes are the prelude to armed insurrections. We must bring about a revolutionary boiling point, with any and all means at our command. It is the duty of every Communist to 'Very clear,' I answered. 'All right,' he went on, 'you've seen the market section. Comrade Walter handles that. You know that Germany is an industrial nation... and raw material imports. So shipping is a vital vein of German life... making harbors and ships into fortresses of the Communist Party... in the docks. Considering that a very fit and reliable recruit, he signed me up at once.

"Two days after taking part in the hunger demonstration, in the second week of May, 1923, I joined the Communist Party. Early in the morning I went to the Red House in Hamburg.

"I met a very man with strong eyebrows and a salient jaw received me, and asked a few pointed questions. I answered them truthfully, but he had known my father during the wartime underground work of the Spartacists in the dock. Considering that a very fit and reliable recruit, he signed me up at once.

"I shan't disappoint you," I replied. "Remember, a campaign is not a matter of leaflets and meetings, but of action and sacrifice. Instead of... Action means strikes.
